

## Drapery Textile / **CANVAS**

Canvas is part of the finely curated Nature Study which celebrates the diversity of woven textiles. The concept provides endless possibilities of combining exquisite textures with different expressions; from delicate, sheer mesh and coarse melanges to smooth velvet and dense dim-outs, for any room. The timeless textures, which all drape beautifully, are arranged into color families making it easy to find the right shade and light filtering property for your project.

# CANVAS / DIMOUT

## SPECIFICATION
